HELENA, MONTANA 59620

Released: May 2, 2006

For the seventh year in a row, the National Agricultural Statistics Service, Montana Field Office has estimated oilseed and pulse crops by county for Montana. Funding for these estimates was provided by the Montana Department of Agriculture.

The Montana Field Office compiles the only annual county estimates for Montana. Specialty crops county statistics are based on an acreage and production survey of Montana's farmers and ranchers conducted during the fall of 2005. Thanks to those who participated! The data can be accessed by visiting our website at [www.nass.usda.gov/mt/](http://www.nass.usda.gov/mt/).
